**Access:** From *Appointments; Company > Companies, Department/Contacts; File Maintenance > Attorneys – Collection Agencies, Benefit Organizations, Billing Addresses, Clinic Locations, Laboratories, Medical Staff; Patient > Patient Summary; or Screening > Random Pools, Random Pools History, Random Pools History Detail*

This report prints mailing-address labels for specified correspondence groups such as companies, benefit organizations, random pool member companies, medical staff, patients, etc. The example here is an illustration of the Companies option. A record must include city, state, and zip code information to print. The label layout varies depending on the specific report chosen (2 BY 10, 3 BY 10, or ON DEMAND).

**Most Often Used By:** Clinic staff
